APPLICATION FOR SERVICE

The Undersigned, herein called the Customer, hereby requests Northern Ontario Wires Inc., herein called the Corporation, to supply electric service and energy to the Customer at the service address described below and owned by, which premises are occupied by the Customer.

This application, when signed by the Customer and accepted for the Corporation by the signature of its authorized officer, shall be a contract between the Customer and the Corporation under and governed by the Standard Supply Code and the obligations as set forth under Section 29 of the Electricity Act, 1998, as amended.

The Customer and the Corporation agree to comply with the conditions as set forth and agree that the said conditions are part of the contract.

The Customer agrees to take service and energy from the Corporation in accordance with the terms and conditions hereof and to take the same exclusively from the Corporation. The Customer further agrees to pay the Corporation at the authorized rates from the date on which service is connected.

The Customer, if required to do so, shall deposit and keep on deposit with the Corporation the following sum as security for the performance of the Customer's obligations under this contract.

Deposit Amount

CONDITIONS

1. The authorized rates may be revised by the Corporation from time to time, subject to the approval of the Ontario Energy Board under section 25.33 of the Electricity Act, 1998, as amended.
2. The Customer agrees to provide convenient and safe space, free of charge or rent, for the Corporation's meters, wires and other appliances on the said premises, and further agrees that no one who is not a servant or agent of the Corporation or otherwise lawfully entitled to do so, shall be permitted to remove, inspect or tamper with any of the said equipment of the Corporation, and that the properly authorized servants or agents of the Corporation shall, at all reasonable hours, have free access to the said premises for the purpose of reading, examining, repairing or removing the said meter, wires and other appliances.
3. Meters and all other equipment of the Corporation on the said premises shall be in the care and at the risk of the Customer, and if destroyed or damaged, other than by ordinary wear and tear, the Customer shall pay to the Corporation the value of such meters and equipment, or the cost of repairing or replacing the same.
4. If at any time a bill for service or energy under this contract is in arrear or if the
5. customer fails to perform any other obligation hereunder, the Corporation may, in addition to all other remedies, discontinue the service and/ or terminate the contract, and upon such termination the Corporation may remove the meters and other equipment installed by it on the Customer's premises.
6. The Corporation agrees to use reasonable diligence in providing a regular and uninterrupted service, but does not guarantee a constant service or the maintenance of unvaried frequency or voltage, and will not be liable in damages to the Customer by reason of any failure in respect thereof.
7. This contract shall not be binding upon the Corporation until accepted by it through its authorized officer, and shall not be modified or affected by any promise, agreement or representation by any agent or employee of the Corporation unless incorporated in writing into this contract before such acceptance.
8. The point of delivery of service and energy hereunder shall be a point on the premises of the Customer satisfactory to the Corporation. The Customer shall take delivery at the said point and shall from that point provide all works necessary, and shall construct, maintain and operate the
9. said works safely and efficiently with proper devices, all in accordance with the regulations of the Electricity Act, 1998.
10. This contract will continue in force from the date on which the service is connected and shall continue in force thereafter until terminated with sufficient notice in writing given by either party to the other.
11. This contract shall be binding upon the parties hereto, and their respective heirs, executors, administrators, successors or assigns, and the vacating of the premises herein named shall not release the Customer from this contract except at the option and by written consent of the Corporation.
12. All electrical equipment of the customer shall be subject to the approval of the Corporation, but such approval shall not be unreasonably withheld, and the Customer shall maintain and operate the said equipment so as not to cause more than minimum disturbance to or fluctuation in the Corporation's power supply.
13. The standard application of rates or the standard interpretation of rates as applicable to the supply of electric service and energy in urban municipalities and as approve by the Ontario Energy Board shall be deemed to apply and shall be part of this contract.
